Dear Gil:

Over the years, we have been deeply indebted to you for your authoring and faithful tending of our Blessed John XXIII Parish website as an adjunct to your duties as webmaster of the St. Chad's website. We are enclosing a small token of our appreciation for all the work and care this has involved.

Very shortly, we hope to be going live with a redesigned website at www.johnxxiii.ca. Some parts are still under construction; for others, we have freely used content from the site you have kept for us. However, as the new site will be built around our weekly bulletin in PDF form, we anticipate that eventually, most of the weekly updating needed should be done routinely and simply by our Parish Secretary, as part of her on-going duties preparing the hard-copy version of the bulletin. We also have a job ahead of us to elicit suitable new documents to link to from all our various parish groups, but this, again, is something we feel our Parish Council is duty-bound to organize "in-house."

All of us hope you will visit our new site from time to time, and will continue to consider it the "sister website" to that of St. Chad's. We'd be grateful for any comments and expert suggestions you may wish to offer. You will notice that on the Visitors' page and on the ACC page, we have included links to the St. Chad's site at <http://www.mts.net/~gilfred/stchad.html>.

....

Once again, Gil, we thank you most sincerely for the service you have so freely and generously rendered us for so many years, and we have no doubt that God will bless you richly for all this work.

Yours truly,

Michael Rennie
Chair, Blessed John XXIII Parish Pastoral Council
